

Men's Club Competition Prizes 2017/18

For competitions where vouchers are issued and a formal presentation is not made, the following applies. The general rule is that 60% of the competition entrance income up to a maximum of 10 prizes (1st – 10th) will be issued in singles competitions, a maximum of 5 prizes (1st – 5th) in fourballs and a maximum of 3 prizes (1st – 3rd) in 3 man teams and 4 man teams.

Singles:

No. of Players	>120	90-120	60-89	50-59	40-49	30-39	20-29	<20

For competitions with 120 or more competitors 10 prizes will always be issued as shown in the table above. For less than 120 entrants we calculate 60% of the entrance income and issue prizes up to that amount as shown in the table above. If over 50% of the value of the next prize is available then we issue that prize, e.g. if 54 people play then the income is €270. 60% is €162. This allows us to issue 1st to 5th with a total value of €170 because after issuing 4 prizes we have (162-145=17) €17 available which is more than 50% of the next prize of €25. If only 50 people played we would only issue 4 prizes. **When 100 or more play always issue 10 prizes.**

For Monthly Medals, we calculate 60% of the entrance income. Allow €100 towards the cost of the medal and distribute the remainder as per the table above having €60 as the maximum for 2nd prize.

For Open Singles where the entrance income amounts to more than €800, the 1st prize will be an €80 voucher followed by €70, €60, €50, €40, €30, €25, €25, €25. Otherwise, we follow the table above.

NB. Pro Shop vouchers are issued for all Open Singles.
